Letter No 327 of 11-3-03.

Prior to his departure to Bermah in May 1903, Col: Benson wrote to Govt officially, asking them to obtain the sanction of the Govt of India for presenting an address to him and for putting up his portrait in the Victoria Hospital at Bangalore. Subsequently he wrote a demi official letter of the 27th March 1903, asking Govt to put off writing to the Govt of India for their sanction, till it was definitely known when he would leave the Province for good. Upon this, the question was then dropped.

With his present letter he has forwarded for the orders of Govt a copy of a letter of the 23d February, 1903, from the Honorary Secretary, Benson's Address Committee, Bangalore, (Miss Ayachicknall), requesting permission for presenting an address to Col P. M. Benson and for putting up his portrait in the Victoria Hospital.

Submitted for orders.

The circs which led to the matter being deferred in 1903 seem a fortiori to now: Col Benson, however, perhaps with that the presentation should take place now, & sends the remainder of the Address Committee on to Govt Intimate Govt

4 A draft letter to the Resident is put up for approval, on the understanding that Bennett will be leaving Thursday; but ~~the~~ ~~forwarding~~ ~~address~~ ~~either~~ ~~the receipt of an address~~ ~~to settle this~~ ~~Bennett~~ he will probably make his own arrangements later on for receiving the address proposed to be sent to Col. Bennett.

I believe Col Bennett is not likely to return to Mysore service. The present proposed to be paid to him is a will personal one & I agree that the necessary action may be taken either after a formal application by the Resident, by Col Bennett or by any connection with Mysore & I think we will have to, but I do not think we have any objection. The Secy to the Committee has given certain special reasons & these may be embodied in our communication.

Draft revised accdy & a clean copy sub to Secy.

Note Carbd. As directed above, a demi-official enquiry was made, asking Col: Benson whether it would not be desirable to postpone the presentation of an address to him, until it was definitely known when he was to leave the State service for good.

In reply, Col: Benson forwards letter No 2 of the 8th April 1904, from the Honorary Secy: of Col: Benson's address Committee, and states that under the circumstances therein represented the Govt will oblige the Honorary Secy by granting her request.

In her letter, the Honorary Secy states that the address will be presented only after the receipt of the sanction

6 of the Govt of India, and requests that to make sure of the same and to facilitate preparations being made, their sanction may kindly be applied for now to avoid delay. She also adds that the address will be given only after Col P. N. Benson's connection with the State finally ceases.

the Victoria Hospital, Bangalore, in recognition of his services as Head of that Department, as that officer leaves the Mysore State in duty in British India and will probably not return to the State. Considering that the movement is purely voluntary and the tribute of regard is one well deserved by Colonel Benson, the Durbar think the application may well be granted as a special case. I am therefore to request the favor of your kindly obtaining and communicating to the Durbar, at an early date, the sanction

of the Government of India in the matter —

2 I am to add that the address will not be presented until it is definitely known that Colonel Benson will not return for further service in Mysore —
